**By Jeff DeBlaey**

Due to the unfortunate combination of procrastination and unforeseen circumstances, along with the very fortunate blessing of maybe the busiest start of the year we've ever had, this issue of the Informer has had to be condensed down and to the point. That point being that **we are forever grateful for your loyal patronage and continued friendship.** We sincerely appreciate your support by allowing us to serve your business needs as well as your supportive words, encouragement and prayers during Dad's (Jerry's) recent surgery and continuing recovery. We're very excited to welcome you to our 36th annual Customer Appreciation Day and look forward to seeing you on March 18th!
